

# Maryland Soybean Board

Current fiscal year  
checkoff investment  
in production research

# \$166,671

## TOP RESEARCH FUNDING AREAS

- Variety Development and Trials
- Weed Control
- Pest Management
- Cover Crops

## RECENT INNOVATIVE RESEARCH PROJECTS

- Planting Green: Extending the Growing Season to Get More Payback from Cover Crops
- Phosphorus Runoff from No-Till Soils: Do Cover Crops Make It Better or Worse?
- Evaluating Novel Herbicide Tolerant Traits in Maryland Soybean Systems
- Reducing Deer Damage to Soybeans Using Forage Soybean as Biological Fencing

## TOP THINGS FOR FARMERS TO KNOW ABOUT CHECKOFF DOLLARS INVESTED IN RESEARCH

The Maryland Soybean Board supports research for soybean farmers to have the most current information to protect their crops and the environment. Recent research investments have focused on yield and soil health.

## TOP AREAS OF RESEARCH CRITICAL TO THE FUTURE OF MARYLAND'S SOYBEAN PRODUCTION

- Increasing Yield
- Soil Health
- Technology Access

“The Maryland Soybean Board is entrusted with investing checkoff dollars in projects that will directly contribute to the success of Maryland soybean farmers. Grants for research projects are selected based on research priority, cost-effectiveness and positive impact to farmers.”

— MSB Board Member Brian Johnson, Westover, MD
